 Empty size:
 W942mm(37.11")x D960mm(37.8")x H2146mm(84.51")
 Floor space: 1m²(10.76 sq.ft)

NET Weight (KG):

Office pod: 265KG Chair: 16KG

Gross Weight (KG):

Office pod: 295KG Chair: 21KG

Package:

Office pod: 1pcs /1carton Chair: 1pcs /1carton

Package Size:

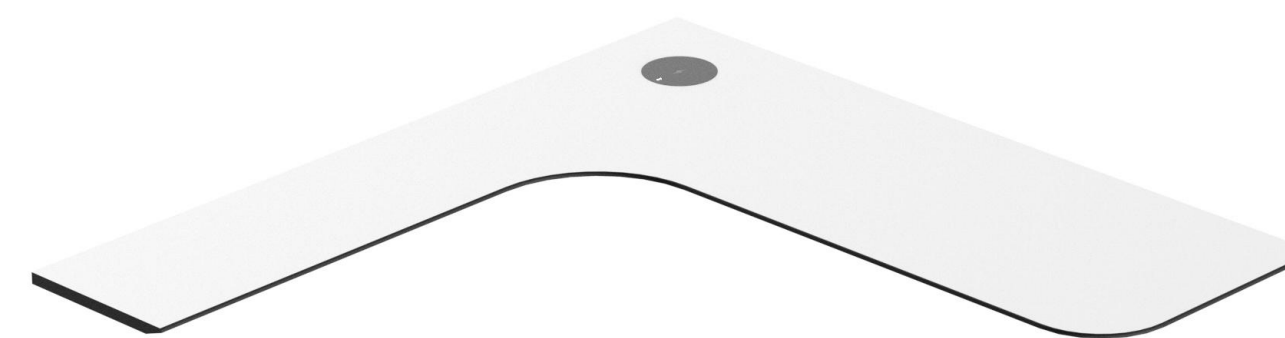

Office pod: W2320xD580xH1265
 Packaging includes working table
 Chair: 720x150x270
 Kraft box
 CBM: 1.73

Material description:

Premium version:
 Main frame: 6063-T6 Alluminum alloy,electrostatic powder coating with DuPont thermosetting polymer powder
 Side wall: PVC film+1mm galvanized steel sheet+PET acoustic felt+1mm galvanized steel sheet (Outside to inside)
 Glass: 5+5mm laminated tempered Glass, edge with screen print
 Carpet: Nylon fiber carpet with PET felt based
 Interior wall panel: 12mm PET felt acoustic board + Polyester fabric
 Ventilation: 5 minutes auto-exchange in every 30 mins for vacancy
 Lighting: LED strap-shape lamp, strength and temperature adjustable
 Rotary dimmer panel: Alluminum anodized exterior, tact button to switch function and close, rotate the knob to adjust, power button to switch off fan and lamp, long press to turn on full manual model when all off.
 Power adapter: Wide input range 100~305VAC, 24V output, Maximum power 100~150W.
 Power outlet-AC: 5 Hole universal outletx2 (Multi-type outlet available), Rated current: 10A, Rated power: 1100w/110v,2400w/240v.

Supporting furniture:including 1 L-shape table and 1 Pneumatic adjustable stool

Furniture included:
